THINKING ABOUT STOPPING SMOKING???

Have you been thinking about stopping smoking and possibly not being successful? Perhaps next week would be a good time to give it another try.

A five-day stop smoking plan, which is being sponsored by the Washington Sanitarium and Hospital, will be available to the Gallaudet community from Monday, October 9 through Friday, October 13 in Hall Memorial Building.

It is hoped that those who follow the program, which will consist of films, speakers, printed materials, and group support, will find it less difficult to break the cigarette habit.

Faculty, students, and staff are welcome to join the program, which will open on Monday, October 9 at 7:00 p.m.
